

Bruno Carnavalli

Fullstack Engineer | Build Tools, CI/CD & Developer Productivity

github.com/carnavallibruno | linkedin.com/in/bruno-carnavalli/ | carnavallibruno@gmail.com

Italian/EU Citizen | Available for Immediate Start | Open to Relocation | +55 (48) 99605-3031

SUMMARY

Fullstack Engineer with 4+ years building scalable web applications and developer tooling for international clients. Proven track record improving engineering efficiency — including a 99% build-time reduction and 100% test coverage adoption through CI/CD and Webpack optimization — alongside UX-driven work that increased client revenue by 33%. Regular Jira user across Agile/Scrum workflows, collaborating with cross-functional teams to plan and track delivery. EU citizen based in Brazil, fluent in English, and currently contracting for a Portuguese company.

WORK EXPERIENCE

DBServices Portugal

Fullstack Engineer

Remote

Nov 2025 – Present

- Refactored the entire permission and security layer of the application to resolve critical discrepancies between expected and actual user access, significantly improving system reliability and compliance.
- Designed and executed schema migrations (adding/altering tables and columns) to support evolving application features, ensuring data integrity across releases.
- Integrated the application with Focco Lojas platform API, enabling seamless data exchange between systems.
- Presented the full Todeschini case study to the entire company, covering all major technical achievements and architectural decisions made throughout the project.
- Developed an AI Render feature enabling room and furniture visualization based on images uploaded directly within the application, enhancing the end-user design experience.

Compass.UOL

Front-End Developer

Remote

Nov 2022 – Nov 2025

- Reduced build time by 99% (1h50m to 10s) for AWS' Simple CMS project by optimizing Webpack and CI/CD pipelines, boosting developer productivity.
- Spearheaded the adoption of Test-Driven Development (TDD) across the Simple CMS project, achieving 100% test coverage and reducing post-release bugs by 80%.
- Designed and delivered critical UI components for Yamaha USA's e-commerce platform using Next.js and Optimizely CMS, improving navigation and mobile responsiveness.
- Redesigned a complex checkout flow for Enerpac using Oracle Storefront Framework, leading to a 33% increase in monthly revenue.
- Recognized as Employee of the Month (Jul 2024) for delivering Yamaha's main banner, navigation bar, and responsive mega menu, and successfully presenting demos to stakeholders.

EDUCATION

UNISUL - Universidade do Sul de Santa Catarina
Bachelor's Degree in Information Systems

Florianópolis, Santa Catarina
Feb 2022 - Dec 2024

UNICESUSC - Centro Universitário Cesusc
Associate's Degree in System Analysis and Development

Florianópolis, Santa Catarina
Aug 2019 - Dec 2020

TECHNICAL SKILLS

- Front-End: React, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, Web Components, Atomic Design, SEO, Server-Side Rendering (SSR), TailwindCSS
- Back-End & APIs: Node.js, Python, NestJS, GraphQL, REST APIs, MySQL, PostgreSQL, MongoDB
- Cloud & Infrastructure: AWS (Certified), Azure, Serverless, CI/CD, Docker
- Testing & Quality: Jest, Vitest, Test-Driven Development (TDD), Code Reviews
- Build & Performance: Webpack, Rollup, Vite, Turborepo
- AI-Assisted Development: Cursor, Claude, GitHub Copilot
- Collaboration & Tools: Git, GitHub, Jira, Confluence, Storybook, Docusaurus
- Project Management: Agile, Scrum, Kanban

ACHIEVEMENTS

Technical Leadership & Mentorship – Compass.UOL

Nov 2022 - Aug 2024

Delivered technical workshops on TDD and the Zod Library to 1,000+ professionals at Compass.UOL iStudios, including the company's first-ever English-language session. Mentored 150+ developers across 5 internship programs, including an international program in Nigeria conducted entirely in English.

CERTIFICATIONS

AWS Certified Cloud Practitioner
Passed the initial AWS certification.

Sep 2023 – Sep 2026

LANGUAGES

- English: Fluent/Native (TOEFL 95/120)
- Portuguese: Fluent/Native
- Spanish: Intermediate
